

OUR WINES

Helen's Hill Single Clone Reserve

15 per glass

Ingram Rd is great. Helen's Hill is exceptional. The Reserve is ...beyond. Sometimes, when we have done our work and left the rest to the wine gods, mother nature shines and gives us fruit that goes above and beyond any other. When it happens – we bottle it, and call it Helen's Hill Reserve Pinot. We reckon it's pretty amazing and worth every sip. See what you think.
